Subject: Complaint regarding stalking on Instagram

Respected Sir/Madam,

I, Priya, residing at [Your address], wish to report the following incident and request action.

Date of incident: 30/10/2026
Platform: Instagram

I am writing to report stalking by rohit__dreams on Instagram, which took place on 30/10/2026. The accused sent me messages including “I saw you at the metro today. blue dupatta”; “new account se aaya hoon. tu mujhe block nahi kar sakti”; “I know where you live, Jayanagar 9th block. don't make me come there”. These messages caused me fear and distress. The messages were preserved and sealed in a tamper-evident evidence record on 30/10/2026. I believe these acts may fall under Section 78 of the BNS, 2023, Section 351 of the BNS, 2023, subject to confirmation.

Timeline of events (times as shown in the chat):

1. 9:12 PM: rohit__dreams wrote: “hey you're in 2nd year at Christ right?” (evidence E1)
2. rohit__dreams wrote: “I saw you at the metro today. blue dupatta” (threatening) (evidence E2)
3. I replied: “please leave me alone” (evidence E3)
4. rohit__dreams wrote: “new account se aaya hoon. tu mujhe block nahi kar sakti” (threatening) (evidence E4)
5. rohit__dreams wrote: “I know where you live, Jayanagar 9th block. don't make me come there” (threatening) (evidence E5)
6. I replied: “I'm telling my brother” (evidence E6)
7. rohit__dreams wrote: “bata de usko bhi. dekhte hain kya karta hai” (evidence E7)

Evidence chain status: verified, unaltered.
Annex B lists every item with its time, sender and SHA-256 fingerprint. The full evidence report with complete hash values and a Section 63 BSA certificate is attached.

I therefore request you to:

1. Register my complaint and investigate the accused
2. Identify the person behind the account
3. Ask the platform to remove the content and preserve the account data
4. Take action to protect me from further contact

I declare that the information given above is true and correct to the best of my knowledge.
